YOUR MONTHLY SOURCE FOR ALL THINGS GOLDSTAR!

**LLP**

LLP is excited to embark on a new year filled with fresh experiences, promising opportunities for growth, the addition of talented team members, and the warm welcome of new faces into our GoldStar family! As the days gradually lengthen, we look forward to increasing our outdoor activities, placing a strong emphasis on community safety skills. Our focus will include learning about street safety, fostering kindness to the environment, and discovering enjoyable ways to engage with the community while promoting physical activity!

In the spirit of a new beginning, we believe there's no better time to return to the fundamentals and prioritize self-improvement. That's why we've committed to intensifying our efforts in developing essential life skills for our learners. The exploration of self-care is a diverse journey, and we're genuinely thrilled to understand our learners' needs and advocate for strategies that contribute to our collective well-being, happiness, and emotional regulation. Anticipate unparalleled growth from us in 2024!
